*Today I hired the most beautiful woman I have ever seen. She needs money for credit card debt and wants to work long hours. She is incredible. I can't get her out of my mind. The only problem is that she is engaged to Jessie Katsopolis.*

*Jessie is a friend. I know he's been a good friend of mine. But lately something's changed that ain't hard to define. Jessie's got himself a girl and I want to make her mine. She's watching him with those eyes. She's loving him with that body, I just know it. He's holding her in his arms late, late at night. Where can I find a woman like that?*

*I play along with the charade. There doesn't seem to be a reason to change. I feel so dirty when they start talking cute. I wanna tell her that I love her, but the point is probably moot.*

*I'm looking in the mirror all the time wondering what she don't see in me. I've been funny, I've been cool with the lines ain't that the way love supposed to be. Where can I find a woman like that? I wish that I had Jessie's girl.*

*Sally, I will have you. If it is the last thing I ever do.*

*Oh Sally, I can see the path you're cutting, it cost me a little piece of my heart. I can see the doors you're shutting because they were open at the start. Baby loving you has been hard on me. You're such a tough little sister just looking for Mr. Right on the wrong side of town.*

*Your eyes are wild, your skin's so white. You're undernourished and overfed. You've got the teeth, you know how to bite. Cause when you bit I bled. You got some perfect image of the perfect man. You're a tough little sister but you'll*

*settle for a mister tonight. But you're running out of time you better love somebody, its late. You're gonna push it just a little too far one night. I'm only saying what I feel. You think I'm wrong I know. You better love somebody. Why not me?*

*It seems like Sally is getting more and more flirty with me. She doesn't say or do anything when I smack her ass. She smiles and blows me kisses. But I can tell she is playing the field. Jesse has been gone for a while now. She needs to love somebody. Might as well be me.*

*I sent her a few pics of myself last night. I wanted to show her how excited she makes me. I can't wait to hear back. Maybe she will send me naked pics of herself!*

*Oh Sally. Heart in my mouth, pulse in my head, mercury rising into the red. The smell of your skin can light up all the fires in me. Hungry to touch, I'm eager to please. Out of control and I hand you the keys. Every night I am burning to make love to you.*

*In my mind I see it clear as day. When we make love, it's a passionate thing. You shudder and shake, sink your teeth in my skin. I almost believe you were made to be played by my hands. And you got the power, it amazes me still. How you play my emotions with consummate skill. I don't have to look any further than into your eyes. So don't try to tell me you think it's just physical. It goes way deeper than that. You better know it's an affair of the heart. Have a little blind faith, believe It's an affair of the heart.*

*I am going to get your affections one way or another. I love you Sally.*

*I slapped Sally last night. I feel like a kindergartener kicking the girl he likes. I don't know what came over me. I feel like I am going to explode. I tried to play it off like she likes it rough. That is what I told the others. There was something in Sally that made me think maybe she did like it rough. She didn't fight back or say anything. She just took it and stayed there like she was waiting for more. Is she telling me she wants more?*

*Sally, I am getting so frustrated with you and your teasing. This one way love affair ain't fair, it ain't fair to me. It's all give and take and you just take! I can't take it you see, Well, I'm givin' up on love this time. Me and my friends, we'll do just fine. I've done everything for you, You've done nothing for me.*

*You said someday I'd have a whole lotta money, I'd be a millionaire. But when that didn't happen over night I found out how much you really cared. Well, all you want is a whole lotta money and all the rest is just jivin' honey. I've done everything for you. You've done nothing for me.*

*Well, I'm going out on the town tonight and get as wild as I can be. I'm gonna find out what it's really like to be loose, high and free. Well, I don't care what the people say. I'm changin' my mind, I'm changin' to stay. I've done everything for you. You've done nothing for me. But that is going to change tonight.*

*Sally, tonight I am going to demand you give me the attention I need. The attention I deserve. You are so hot I gotta have you on me. I don't care what Jesse thinks. You belong to me!*

*I finally had the courage to ask Sally to dance for me. She made it a lap dance! In front of everyone! She pushed me down and grinded on me. I was too excited and couldn't take it very long. But I wasn't embarrassed to be in front*

*of everyone, I didn't care. She is so hot. I would do her in front of everyone and now I know that I can. Last night was the best night of my life. She likes it rough. That is the key. I just need to be rough and take it from her. That is how she likes it. All the flirting is a waste, a tease. She wants a real man. One who does not hesitate. A man of action. I'm going to do it. I'm going to send her another set of pics to let her know what is coming for her.*

*Everybody thinks its so hilarious making fun of me, except Sally. I know I'm living on the outside scared of getting caught between. I'm so cool and calculated alone in the modern world - but Sally has a hard time holding back. The alley to her heart is a beaten track. She's got the love monkey riding on her back. You want love I got it, come on girl.*

*You know, I got my walls, Sally calls them prison cells. Sometimes I need protection, I've got the chains. I got the warning bells. I sit so snug and isolated alone in the modern world - but Sally has a hard time holding back. The alley to her heart is a beaten track. She's never out of love, she's got the knack. You've got love I want it, come on girl. We all need the human touch. I need your touch. NOW!*

*I can't stop thinking about that lap dance on Saturday. Sally if you make it available tonight I am going to give you what we both need. Now I know you want me like I want you. I can't wait. I don't care where we are or who can see. If you make a move, I won't hesitate to take advantage. Sorry Jesse. Sally, you belong to me!*
